### How to on Waitematā COVID-19 intranet site remotely

1. Click on the link <https://covid19waitemata.hanz.health.nz> or visit the [Staff Page](#) on our website to find the link.
2. Enter your **work email** and network password
3. Click **Sign In**

Check the account you're logging into shows your work email: [name.surname@waitematadhb.govt.nz](mailto:name.surname@waitematadhb.govt.nz)

If you see a personal Microsoft Account, then select: **Sign in with another account.**

4. Follow the authentication method you've chosen
  - a. **Enter code** sent as a text to your phone
  - b. **Approve** authentication sent to app
  - c. **Enter code** generated by the app

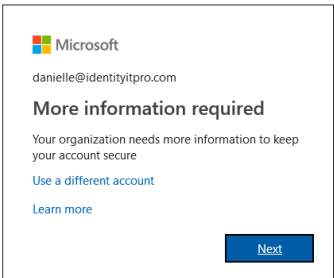

5. Click **Verify.**

**You should now be connected. Congratulations!**

! If you get an error message, you're possibly logging in from a restricted browser, app or location.

## Troubleshooting

|  |   |
|--|---|
| <p><b>! Message saying “you’re blocked”</b></p>  | <p>If you get a message saying “you’re blocked”, try using Google Chrome or Firefox.</p>  |
| <p><b>! Disconnect from Citrix</b></p>   | <p>If you are connected to Citrix you may need to disconnect to be able to access the Waitematā COVID-19 site.</p>  |
| <p><b>! Username prompt for login</b></p>  | <p>If you are prompted for your username and password to log in to the site, it means you are already logged in to your MFA account.</p> <p>Use your network username and password to access the site.</p>  |
| <p><b>! More information required</b></p>   | <p>If you get a message saying “More information required” this means that:</p> <ul style="list-style-type: none"> <li>You have signed in with a different account             <ul style="list-style-type: none"> <li>If so, choose <b>Use a different account</b></li> </ul> </li> <li>OR</li> <li>You have not set up Microsoft Azure MFA             <ul style="list-style-type: none"> <li><a href="#">Check the MFA set up guide</a></li> <li>Register for MFA at <a href="https://MFAsSetup.hanz.health.nz">https://MFAsSetup.hanz.health.nz</a></li> </ul> </li> </ul>   |
| <p><b>! Error Message for Forbidden Access / VPN On</b></p> <p>If you get the this error message :</p> <div style="border: 1px solid black; padding: 5px;"> <p><b>Forbidden:</b><br/>This corporate app can't be accessed.<br/>You are not authorized to access this application.</p> </div> <p>your device is using a VPN connection and the Waitematā COVID-19 site won't connect.</p> <p>VPNs make it seem like your device is outside NZ as they connect to international servers.</p> <p>You can only access the Waitematā COVID-19 site in NZ.</p> <p><b>Common VPNs are:</b><br/>1.1.1.1, NordVPN, ExpressVPN, CyberGhost.</p>  <p><b>VPN on mobile devices:</b></p>  | <p><b>Switch off VPNs</b></p> <p><b>To turn off VPN – in Windows on your taskbar at the bottom:</b></p> <ol style="list-style-type: none"> <li>Check if VPN is running (usually shown left of your clock).</li> <li>Right click on your VPN app and select <b>Disconnect</b>.</li> <li>Confirm if required.</li> </ol> <p><b>OR</b></p> <ol style="list-style-type: none"> <li>Select the speech bubble notification icon to the right of the Windows clock (in Windows 10).</li> <li>Select VPN.</li> <li>Toggle off.</li> </ol> <p><b>OR</b></p> <ol style="list-style-type: none"> <li>Open Network Connections in Settings / Control Panel</li> <li>Disable or Turn off VPN</li> </ol> <p><b>To turn off VPN – on mobile devices:</b></p> <ol style="list-style-type: none"> <li>Go to settings</li> <li>Under 'Wireless and Networks', select 'More'</li> <li>Select VPN and toggle off the active connection</li> </ol> |
| <p><b>! Cannot connect on a mobile device while onsite</b></p>   | <p>If you are onsite and want to access the site on a mobile device, switch to Hospital Hotpot Wi-fi or use mobile data. MFA will not work on a secure DHB network (ie SWA, SWA2, TWA, NorthAir).</p>   |

**! Virus protection up to date**

Make sure your device is using current virus protection software and that you have downloaded the latest update version.

**IT Service Desk**

**Check these things first before you call IT**

If unable to resolve your issue, please call the IT Helpdesk on:

- ✓ Are you registered for Multi-Factor Authentication?
  - [Check the MFA set up guide](#)
  - Register for MFA at <https://MFAsetup.hanz.health.nz>
- ✓ Is my browser blocking my access?
  - Try switching to Google Chrome or Firefox
  - If you have VPN running – turn it off
- ✓ Is my work email showing correctly? Or is it going to an alternate email account?
  - Re-type your work email
