Dear

Re: OIA request – infrastructure works

Thank you for your Official Information Act request received 30 April 2019 seeking the following of Waitemata District Health Board (DHB):

Re: WDHB North Shore Hospital Campus Infrastructure Works Tender RFx: 20671677

1. *Has a project manager already appointed? If yes may I know who's the project manager?*

No, the project manager is still to be appointed.

2. *Has the RFP already invited from selected contractors? If yes may I know when it'll be closed?*

The Request for Tender has been issued and is available on GETS (Reference 20984988). The closing date is 29 May 2019.

3. *When do you expect the contract will be awarded?*

We expect to award the contract in July 2019.

I trust that this information meets your requirements. Waitemata DHB, like other agencies across the state sector, supports the open disclosure of information to assist the public's understanding of how we are delivering publicly-funded healthcare.

This includes the proactive publication of anonymised Official Information Act responses on our website from 10 working days after they have been released.

If you feel that there are good reasons why your response should not be made publicly available, we will be happy to consider this.

Yours sincerely
