**Re: OIA request – Registered GP practices and number of enrolled patients**

Thank you for your Official Information Act request received 6 October 2021 seeking information from Auckland District Health Board (DHB) and Waitematā DHB about GP practices, the number of GPs working in each practice and the number of enrolled patients.

The following response is provided on behalf of both Auckland and Waitematā DHBs, which share services across our Planning, Funding and Outcomes divisions.

In response to your request, we can provide the following information:

**Under the Official Information Act 1982, we request the following data from the DHB:**

- 1. A list of all registered GP Practices registered with you, including their practice name and physical address.**

Please see **Appendix 1** for this information, broken down by DHB.

- 2. A total number of GPs working full-time and part-time with each of the above practices.**

We do not collect this information. Therefore, we are unable to provide a response to this part of your request.

We are, therefore, refusing this aspect of your request under section 18(g) of the Official Information Act, as the information requested is not held by us.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to seek a review is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or freephone 0800 802 602.

**3. A total figure of current enrolled GP patients for each of the above practices.**

Please see **Appendix 1** for this information. Note that these numbers were accurate as of 8 October 2021. You will see that we have a number of satellite practices operating in our districts. These satellite practices are linked to a lead practice where the total enrolled population is held and this is captured in our table.

Thank you for requesting this information, I hope that it is of assistance to you in your studies. If you would like to discuss with us the information we have provided, please feel free to contact our primary care lead, Shayne Wijohn, on 021 0788 920 or [shayne.wijohn@waitematadhb.govt.nz](mailto:shayne.wijohn@waitematadhb.govt.nz).

We support the open disclosure of information to assist community understanding of how we are delivering publicly funded healthcare. This includes the proactive publication of anonymised Official Information Act responses on our websites from 10 working days after they have been released.

If you consider there are good reasons why this response should not be made publicly available, we will be happy to consider your views.

Ngā manaakitanga

**Director of Funding  
Auckland and Waitematā DHBs**

**Chief Executive Officer, OBE  
Auckland District Health Board**

**Appendix 1: A list of general practices by practice name, address and enrolled population in the Auckland DHB and Waitematā DHB districts**

**Auckland DHB**
