Dear requester

**Re: OIA request – Performance management report from HealthCare NZ Limited**

I refer to your Official Information Act request dated 25 May 2021 seeking a copy of the most-recent HealthCare NZ Ltd performance management report from Waitematā DHB.

In response to your request, we can provide the following information:

- 1. We seek a copy of the most-recent performance management report you have received from HealthCare NZ Limited.***

Waitematā DHB has a contract with Healthcare NZ Limited for “Long Term Support – Chronic Health Conditions – Home-Based Support Services”, which provides services to a small number of individuals (fewer than 10). The most-recent Performance Monitoring Return, covering the period 1 January 2021 to 31 March 2021, is attached for your reference – **Attachment 1**.

- 2. Furthermore, please provide us with:***

- a definition of “missed care” as it applies to HealthCare NZ Limited and***
- the rate of missed care reported by HealthCare NZ over the past 12 months.***

The definition Waitematā DHB uses for ‘missed visits’ is the service not responding to the needs of a client. For example, if a support worker does not attend a scheduled appointment, if there is a scheduling error or if a visit is rescheduled without agreement from the client.

‘Missed visits’ are not a reporting measure in the Performance Monitoring Return for this contract.

We are, therefore, refusing this aspect of your request under section 18(g) of the Official Information Act 1982 as the information is not held.

You have the right to seek an investigation and review of this decision by the Ombudsman. Information about how to seek a review is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or Freephone 0800 802 602.

**3. We also seek clarification as to how much funding, if any, HealthCare NZ Limited receives from Waitematā DHB for missed care.**

Waitematā DHB does not fund missed visits.

I trust that the information we have been able to provide is helpful.

Waitematā DHB supports the open disclosure of information to assist community understanding of how we are delivering publicly funded healthcare. This includes the proactive publication of anonymised Official Information Act responses on our website from 10 working days after they have been released.

If you consider there are good reasons why this response should not be made publicly available, we will be happy to consider your views.

Yours sincerely

Director Funding
