

18 November 2019

Dear [REDACTED]

Re: OIA request – Contracts for infrastructure project manager and works contractor

Thank you for your Official Information Act request received 06 November 2019 seeking the following of Waitematā District Health Board (DHB):

I was hoping to find out who was awarded the following contracts and when the contracts commenced

- *Infrastructure Project Manager ECIB Enabling (GETS ref 20671878) - Consultant Project Manager to work with the Strategic Capital Programme Group to manage ECIB Enabling Works Programme at the North Shore Hospital*

This contract was not awarded. The DHB did not progress this procurement beyond the registration of interest.

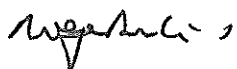

- *North Shore Hospital Campus Infrastructure Works Contractor (GETS ref 20984988) - Infrastructure works include: planning & management; investigative works to ensure location of existing services prior to starting, put in place safeguards to ensure continuity of supply; isolation &/or protection of current water main in advance of works, including ensuring continued supply to the hospital site.*

This procurement is in the final stage, i.e., contract negotiation. We will publish the contract award details on GETS once the process has concluded.

Waitematā DHB supports the open disclosure of information to assist community understanding of how we are delivering publicly funded healthcare. This includes the proactive publication of anonymised Official Information Act responses on our website from 10 working days after they have been released.

If you consider there are good reasons why this response should not be made publicly available, we will be happy to consider your views.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Roger Perkins', with a stylized flourish at the end.
