

27 July 2018

Dear 

#### Official Information Act Request

Thank you for your Official Information Act request received on 4 July 2018. In response to your request, we are able to provide the following information:

a) *Data about MRT staffing levels, i.e. we require the budgeted and the current FTE figures for the financial years ended 30 June 2018*

On 6 July 2018, Waitemata DHB wrote back to you asking to clarify the time period of the FTE data you are seeking. You confirmed this was the FTE as at 30 June 2018.

Within the financial year ended in June 2018, Waitemata DHB incurred costs equivalent to 76.8 FTE against a budget of 78.5 FTE.

b) *Figures for the total number of examinations (i.e. examinations, not patient numbers) performed during the years ended 30 June 2018. These need to be separated into the number of examinations in CT, MRI, Nuclear Medicine, Angiography, Theatre, Emergency, General and Mammography for your DHB for each year.*

c) *Current Radiology Services and Hours of Work*

We have recorded the information into individual site spreadsheets – North Shore Hospital and Waitakere Hospital as requested. See enclosed.

d) *Wait list times*

We are unable to provide the wait list time data as you have requested in your spreadsheet as we do not record the information in this way. We are however able to provide wait list information for the month of June 2018 follows:

	CT	MRI	Ultrasound
Average length of time waiting for scan	27 days	23 days	16 days
% validated within the 6 week indicator	66%	65%	71%

I trust that this information meets your requirements. Waitemata DHB, like other agencies across the state sector, supports the open disclosure of information to assist the public's understanding of how we are delivering publicly-funded healthcare.

This includes the proactive publication of anonymised Official Information Act responses on our website from 10 working days after they have been released.

If you feel that there are good reasons why your response should not be made publicly available, we will be happy to consider this.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Cath', followed by a period.

**Cath Cronin**
