Dear [REDACTED]

Re: OIA request – Mason Clinic Infrastructure & Programme Business Case Writers

Thank you for your Official Information Act request received 13 June 2019 seeking the following of Waitematā District Health Board (DHB):

I was hoping you would be able to share with me who the successful tenderers were on two of your projects;

- *WDHB Infrastructure Business Case Writer for the Mason Clinic*
The successful tenderer for this work is PricewaterhouseCoopers Consulting (New Zealand) LP
- *Programme Business Case Writer Mason Clinic for the development of a Programme Business Case for an Infrastructure Services Programme*
The successful tenderer for this work is PricewaterhouseCoopers Consulting (New Zealand) LP
- *It was my understanding also that you hoped to have both contracts commence in February, did that go according to plan?*
There was a delay to the other elements of the project which delayed the start of this contract.

I trust that this information meets your requirements. Waitematā DHB, like other agencies across the state sector, supports the open disclosure of information to assist the public's understanding of how we are delivering publicly-funded healthcare.

This includes the proactive publication of anonymised Official Information Act responses on our website from 10 working days after they have been released.

If you feel that there are good reasons why your response should not be made publicly available, we will be happy to consider this.

Yours sincerely
